2. **myStation** to prepay freight and add to invoice
3. Third party shipping. Customer to provide freight company contact and account number

# myStation TERMS & CONDITIONS

## PRODUCT DIMENSIONS

All dimensions and weights shown are to be considered approximate as a majority of the products are manufactured in countries using the metric system; all measurements are converted from metric units.

Please note that all finishes on our marketing materials and website are approximate due to the variation in colour monitors and the processes of photography and printing.

## ASSEMBLY

Some products require assembly; please refer to the instructions included with item packaging or visit our website for information on assembly instructions. If instructions are not available, please contact your sales rep or **myStation**.

## WARRANTY

This limited warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence, abuse or normal wear and tear. All items must be properly assembled per instructions.

The warranty is only valid if all parts that wear, such as chair foot caps, get replaced at least annually. Parts must be purchased within one month of replacement time and proper maintenance must be followed. Product failure caused by a lack of reasonable and necessary care and maintenance is not covered under warranty.

Please note that our steel items are not recommended in installations proximate to salt water.

## CARE & MAINTENANCE

### GENERAL MAINTENANCE

As with any equipment, proper and periodic maintenance is necessary to ensure longevity of the product and customer satisfaction. To ensure you get the most out of your investment, please follow our recommended maintenance and care instructions.

We recommend that the products be examined every 30 days. Items requiring adjustments, showing any sign of structural failure, that have missing hardware or that show any cracks at the welds should be taken out of service immediately until repaired.

Loose screws should be tightened as required and missing or worn out foot caps must be replaced.

To obtain replacement parts, please contact your local representation or local dealer.

Furniture should be handled with care. When chairs are stacked, the stack should not be dragged. Stackable chairs should not be dropped or slammed down when being un-stacked. People should not rock backwards or stand on.

For storage, all furniture should be stored neatly, stacked to suggested height, and packed in a clean and dry area. Tables should not be flipped and stacked; any standing water needs to be removed to avoid damage to finish. Cushions that are stored for longer periods of time should be stored in a dry ventilated area.

NOTE: Warranty may be voided if proper maintenance or care is not followed.

## PRICING

All prices published are "MSRP" (unless otherwise noted) price per single unit, and do not include shipping costs, taxes or installation. Due to frequent international monetary fluctuations, we reserve the right to change prices without notice.

# TERMS & CONDITIONS

## ORDERING FROM US

### QUOTES

Please contact your local **myStation** representative for quotes. All quotations received from **myStation** or our sales representatives are valid for (30) days unless prolonged in writing.

### STOCK HOLD

Quick ship items cannot be reserved or held unless a 50% deposit is received.

### PLACING ORDERS

All orders are subject to acceptance by **myStation**. Orders must be received by fax, mail or e-mail on the buyer's company purchase order form or letterhead or **myStation**'s order form. Purchase Orders must be complete including: item#, quantity, colour finish, required on site date, ship to address, shipping instructions and contact name and phone number of receiver. If a Call Before is required, please supply this information at time of order.

Orders must be approved by the credit department before being confirmed. Invoices are faxed, mailed or e-mailed with tracking information the day of shipment.

### THIRD PARTY RESELLING

**myStation** does not authorize third-party reselling (the practice of an authorized **myStation** Dealer selling **myStation** to another retailer). Authorized **myStation** Dealers must be clearly identified and fulfill the order.

### ACKNOWLEDGEMENT

Order acceptance will be made in the form of a Sales Order Confirmation with an estimated ship date assigned and lead times/estimated warehouse arrivals (EWA) listed after each line item if applicable.

Sales Order Confirmations need to be reviewed for corrections immediately upon receipt; **myStation** will not be held responsible for errors or missing information on sales order confirmations. All orders will ship ASAP unless otherwise noted on the Purchase Order.

### ESTIMATED SHIP DATE

All estimated ship dates are approximate only; **myStation** cannot be held responsible for financial damages due to late shipping.

All orders are subject to delay or failure of delivery due to problems with source of supply, transportation, war, riots, fire, accidents, compliance with government regulations, strikes, Acts of God, or other causes beyond our control.

### SHIPPING

Shipping and routing instructions are required for each 3rd party shipment. If no such instructions are received we have the right to ship by the carrier of our choice. If billing third party, the payer's discount program will take precedence; please consult your carrier for a freight quote.

Customer pick up is available from our distribution center, a pick up appointment must be scheduled, if customers come to the warehouse without an appointment they will be turned away; any missed appointments may be subject to additional fees.

## PAYMENT & CREDIT

### REQUIRED DEPOSITS

Each of the following requires a 50% non-refundable deposit prior to the order being placed into production:

- All special order items
- Direct containers
- Any orders larger than 200 pieces or above \$20,000.
- Any orders that will not be shipping within 30 days

### DEDUCTIONS

No deductions may be made from remittance without written authorization from **myStation**.

## COLLECTIONS

In event of delinquency, the customer shall be responsible for all collection costs, including attorney's fees incurred by **myStation**.

## REFUNDS

Should a refund be required due to overpayment, this may only be processed after the completion of the related purchase order. A completion of purchase order is when the order is shipped and invoiced.

## FREIGHT CLAIMS & DAMAGES

### VIA THIRD PARTY

If a specific carrier was requested on the purchase order, the customer takes full responsibility for all freight issues, including contacting the carrier, damages, losses, additional freight charges and claims.

### VIA CARRIER

Before accepting and signing for the merchandise from the carrier, inspect all cartons for visible or concealed damage and clearly note any loss or damage on the delivery receipt/BOL. If there is loss or damage, make an immediate claim with the delivering carrier. In the event of concealed damage, save all cartons and packing materials, and notify the freight carrier and **myStation** immediately for inspection.

Missing items/parts/hardware claims against us will be considered only if filed with us in writing via email [info@mystation.ca](mailto:info@mystation.ca) within three days of delivery date. Failure to make such a claim shall constitute acceptance of the merchandise and waiver of any defects, errors, or shortages.

NOTE: **myStation** is not responsible for damage or loss incurred in transit. All furniture is shipped at the purchaser's own risk after it has been inspected and securely packed at the distribution center. It is accepted as such by the freight carrier.

## REFUSALS

If a shipment is refused, re-consigned, re-delivered, stored or additional services are rendered, the customer is responsible for all additional charges incurred, and applicable re-stocking fee.

## RETURNS

Special order items, parts, clearance and cushions are not returnable or refundable.

Clearance Items are not returnable

Quick Ship items may be returned within 30 days from the invoice date with an RMA. Items must be received in original condition, original boxes including all original interior packaging and palletized for a full refund minus the restocking fee.

## BACK ORDERS

Standard shipping charges apply to back orders. All back orders will ship once the product becomes available.

## RE-STOCKING FEE

A minimum of 25% restocking fee will be charged for the return of quick ship items in original condition.

Credit for returns will only be issued after receipt and inspection of returned merchandise.

Damaged returns are subject to additional charges incurred to restore goods to original condition or customer may reclaim the items if determined credit amount is insufficient.

No return of merchandise will be accepted to our **myStation** Distribution Center without our written consent via RMA (Return Merchandise Authorization) number, which includes the appropriate shipping instructions. Unauthorized returns will be refused and/or returned freight collect.

RMA # is only valid for 15 days from issue date. A copy of the RMA must accompany the returned merchandise, and the RMA # must appear on each carton returned.

Any additional cartons needed for return will be charged to your account. No credit will be issued for goods without our written consent.

## SAMPLE REQUESTS

Fill out the sample request form on our website and submit to [info@mystation.ca](mailto:info@mystation.ca)

# Muskoka Teak

Solid Natural Teak • 8 pre-drilled stainless steel inserts to connect to Nardi table bases • Tops are 1" thick

Teak is very durable and has its own natural oils which prevent water and moisture from penetrating the wood. It will develop a warm gray patina over time or it can be oiled annually to maintain the new wood look. Teak requires virtually no maintenance and can be left on the patio during the summer months.

## SELECTSPACE PARTITIONS

Super easy to install! The only components that need assembly are the regular stands, all the other components come ready-to-use right out of the box. The panels and stands connect quickly and easily with spring push-buttons. Temporary or permanent, all the SelectSpace stand bases come with bolt hole knock-outs that can be removed and used to bolt the partitions into the ground. If you want your system to be easily removable, simply leave the knock-outs in place.

**Panels are fabricated from heavy gauge perforated aluminum. Posts are heavy gauge aluminum and stainless steel bases, with leveling legs for uneven ground.**

**All components are powder coated and rust proofed.**

# myStation

## Warranty and Care

**myStation** affirms that its products will be free of manufacturers defects in materials or workmanship when used and maintained under normal commercial/residential use. This warranty is applicable for 3 years for; all chairs, bar stools, table bases, metal tables, lounge furniture (excluding cushions), umbrellas and bases, planters, benches and litter bins. The warranty is applicable for 2 years for all table tops.

Manufacturer defect is a defect in a product that has departed from its intended design and is dangerous or causes the product to be unusable for its original purchase intent. The warranty does not cover normal wear and tear over time.

### **What manufacturer warranty does not cover:**

- Damage caused in shipping. If damage is caused in shipping, that damage **MUST** be noted on proof of delivery and reported to MyStation immediately.
  - Normal wear and tear
- Discolouration due to prolonged exposure to ultra-violet rays. Body care products such as sunscreen, and body lotion can cause discolouration

### **Care and Maintenance:**

- Clean products with a soft bristle brush and mild detergent such as DAWN
  - Tighten all loose hardware and replace anything that is missing
  - Replace all worn out foot caps regularly with new ones
  - Touch up scrapes and exposed metal with touch up paint
- Teak tops need to be cleaned with mild detergents. Specific outdoor oil may be applied to ensure longevity

### **To file a claim:**

Email **info@mystation.ca** with:

- Original bill of sales (invoice or sales order)
- Pictures illustrating the issue and reasons for the claim
- Proof of care and maintenance performed

## MATERIALS

Our furniture is made of various materials (resin, aluminium, laminate and glass), which have different features and problems.

Before cleaning the product, you need to check the material of the part to be treated by consulting the instruction sheet provided at the time of purchase.

We accept no liability for incorrect maintenance procedures.

Most of our products are made of resin (also known as polypropylene - PP). It is a lightweight, long-lasting, non-toxic and antistatic, weatherproof material. It is also treated with anti-UV agents and is uniformly colored with non-toxic pigments.

## RESIN

The resin is 100% recyclable and easy to sanitize.

For effective cleaning:

- Wash the product with water to remove any surface dirt and dust.
- Spray the surface with Magic Cleaner Nardi\* or a non-aggressive universal detergent.
- Leave the detergent to work for a few minutes, then wipe with a damp cloth or sponge.
- To remove stubborn dirt and surface marks, we recommend using the Magic Sponge Nardi\*\* melamine resin sponge.
- Use a toothbrush to remove dirt from small spaces.
- Rinse with plenty of water and dry with a dry cloth.

When cleaning, do not use aggressive detergents and/or abrasive materials that may scratch the surface.

## ALUMINIUM

Aluminium is a very hard-wearing material, used for large table frames and contract table bases. It is versatile, easily sanitized and can be 100% recycled countless times while maintaining its structural properties.

- Remove any dust from the surface with a cloth.
- Spray with Magic Cleaner Nardi\* (or alternatively with neutral soap dissolved in water) and spread it over the surface.
- Leave it to work for a few minutes.
- Rinse and dry the product with a sponge or dry cloth

## LAMINATE

Laminate is a compact, uniform, non-porous and easily sanitised multilayer material that is usually used for contract tabletops.

- Remove any dust with a damp cloth and warm water or with a mild detergent (non-abrasive and not highly alkaline) to avoid scratching the surface.
- To remove more stubborn stains, use nonabrasive household detergents.
- To remove dry or crusty stains, we recommend using the Magic Sponge Nardi\*\* or a soft cloth.
- Rinse thoroughly with clean lukewarm water to remove the detergent.

## WARNING

- Do not use abrasive sponges.
- Do not use highly acidic, highly alkaline or corrosive detergents.
- If solvents are used, the cloth used must be thoroughly clean in order to avoid leaving any marks on the surface. Any marks can be removed by rinsing with warm water and drying quickly.
- Avoid using furniture polish and wax-based detergents.

In the Nardi catalogue, fabrics are divided into 3 categories:

- Synthetic fabric (sunloungers)
- Fabric (cushions)

All our fabrics are washable, but different washing instructions must be followed depending on the type of fabric.

Fabric is made of polyester fibre, with a pvc coating.  
Used for sunloungers.

For effective cleaning:

- Wash the product with water to remove any surface dirt and dust.
- Spray the surface with a non-aggressive universal cleaner.
- Leave the product to work for a few minutes, then wipe it with a damp cloth or sponge.
- Use a toothbrush to remove dirt from small spaces.
- Rinse with plenty of water and dry it with a dry cloth.

Hand wash in cold water

Not to be bleached

The fabric can be machine washed at a maximum temperature of 30 °C

The fabric can be dried in a tumble dryer. The dot indicates the maximum temperature at which the garment can be dried: one dot means low temperatures

The fabric can be machine washed at a maximum temperature of 40 °C

The fabric cannot be dried in a tumble dryer

The fabric cannot be dry cleaned

The fabric cannot be dry cleaned and Perchloroethylene solvent cannot be used

The fabric cannot be ironed

The fabric can be bleached with any type of bleach

## Nardi Cleaning Products

Specially formulated products for maintenance and cleaning of your Nardi furniture.

### CLEAN AND DISINFECT

Suitable for Nardi polypropylene and aluminium outdoor furniture

**Nardi Detergent Magic Cleaner**  
(Nar-39102.00.010)

- Spray the detergent directly on the Nardi polypropylene (PP) and aluminium (AL) outdoor furniture to be treated. Let it work for some minutes, then remove with a wet sponge or a microfiber cloth.
- Rinse thoroughly with plenty of water.
- Finally dry with a soft cloth

### REUSABLE CLEANING SPONGE

Removes marks and stubborn dirt from polypropylene (PP) and aluminium (AL) outdoor furniture

**Nardi Magic Sponge** (Nar-39102.00.020)

- Gently rub the slightly damp Nardi Magic Sponge\*\* on the area where there are micro-scratches.

## NARDI'S COMMITMENT TO ENVIRONMENTAL SUSTAINABILITY

Working to make processes increasingly sustainable is a core part of the Nardi philosophy and investment.

### RAW MATERIALS

All products are the result of a production chain that is entirely Made in Italy and eco-friendly. All products, made of 100% recyclable polypropylene have a long life cycle and because it is pure and free from other materials it can be reprocessed and reused again and again.

### OEKO-TEX STANDARD 100

All synthetic fabrics used by Nardi are certified according to Oeko-Tex standard 100 confirming the manufacturer is certified eco-friendly and no harmful substances are in the manufacturing process.

### ZERO WASTE

Swarf, the fine shavings from machining, and larger scraps from processing polypropylene are fed back into the production cycle. Large silos are used for storing virgin polypropylene and allow zero waste during transition between processes.

### THE REGENERATION INDUSTRIAL PROGRAMME

Nardi launched this in 2019 to make products from recycled plastic which in turn can be recycled. These include Sipario the outdoor partition system which received the prestigious international Green Good Design Award in 2021.

Regeneration is more than recycled plastic products. Nardi continues to experiment with solutions that can be applied on a large scale to the entire production cycle, from concept creation to production and packaging.

### LIFE CYCLE ASSESSMENT

Nardi is committed to making products with high added value that are sustainable for the environment and are doing Life Cycle Assessments on several products.

### CARDBOARD PACKAGING AND LDPE

All cardboard for packaging contains about 75% recycled fibres and corn starch is used for adhesive. LDPE caps/bags are made of post-industrial materials

### GREEN DOT ECO CERTIFICATE

Nardi is a member of Der Grüne Punkt an internationally protected trademark and the first system for recycling packaging in line with the circular economy. Nardi is certified annually receiving the Green Dot Certificate which provides scientific proof of savings in terms of CO2 emissions, greenhouse effect and fossil resources based on the volume of packaging handled and recycled.

### REACH

The Nardi S.p.A. supply chain complies with Regulation (EC) No.1907/2006 (REACH)
