Supply Chain Pain? We Ship in 48 Hours!

First of all, we really don't like to wait. Neither should you. So why contact us? Because you need it right now! Pretend you need 50 workstations by next Thursday. What do you do? The traditional big guys can't get you anything for weeks. That's when you contact us. In our catalog you'll see different workstations, chairs and tables, all available and ready to be shipped to you within 48 hours.

Are you working to a tight budget as well as a tight deadline? That's when you should contact us! Nine times out of ten, we guarantee our price will be not only the lowest, but significantly lower than the lowest bid. But we don't sacrifice quality to save a buck. We provide you high-quality furniture at the lowest possible price point in the least possible time.

We take the complexity and headaches out of your office furniture purchasing process by utilizing our technological expertise to make things simpler.

But Wait, There's More! We Have a Wide Range of myStation™ Solutions ...

Your business is unique, it's one-of-a-kind. And every business has its own specific needs, whether it's a large, medium or small office, a training facility, a work-sharing centre or restaurant. The same goes for a

theatre, an arts facility, a public space or convention centre. Trust myStation™ to find the right products for you, at the right prices, with the right delivery schedule. We are here for you. Let us help!

Nightingale

State-of-the-Art Products for Anyone Who Means Business.

By collaborating with top designers, engineers, and research teams, we create quality ergonomic products that are good for your body and the planet. You don't have to choose between aesthetics and comfort. In our lab, on-site factory, and state-of-the-art testing facility, we strive to improve our chairs. Because we believe life is about making an impact, not a fortune, our designs aim to stir a response — whether it's one of inspiration, or simply, "this chair is comfy!"

Our factory is powered by wind and solar energy, and everything we touch gets reused or repurposed in adherence to our 'landfill sucks' policy of zero-waste.

Our fabulous team of employees are committed to making a difference: we care about people, the planet and quality. By working together to brainstorm, create, and improve, we produce our award-winning, durable, design-forward chairs. Right here in Canada.

Minimalist, Modular, Magnifico!

Endless configurations, infinite possibilities! We deliver a super-smart look at an affordable price. Conceived and created in North America, our collection includes our coveted laminate-surface collection, proprietary

designs in crafted aluminum accents, limitless selection of painted glass and a unique integration of textile components. Time and again, year after year, three h™ proves 'elegance' doesn't have to equal 'expensive'.
